Criterion 1 - Curricular Aspects/ 1.1.3 Curricular Planning and Implementation (Percentage of participation of full time teachers in various bodies of the Universities/ Autonomous Colleges/ Other Colleges, such as BoS and Academic Council during the last five years)	

Number of teachers participating in various bodies

The institute contributes in the area of academics by a number of ways.

1. The principal of institute **Professor Architect Poorva Kaskar** is a member of **Board of studies** of Savitri Bai Phule Pune University (SPPU) since year 2017.
2. The principal is member of **Maharashtra Association of Schools of Architecture** (MASA) since year 2016.
3. A number of faculty (**Sudhir Deshpande, Shraddha Manjrekar, Ketaki Gujar**) have been invited by the university for setting examination papers.
4. Some faculty (**Pallavi Chitnis, Shraddha Manjrekar**) are invited for conducting VIVA for students of Masters of Environment Architecture by Bharati Vidhyapeeth, Pune and Ajinkya D.Y. Patil University, Pune.
5. Brick Faculty **Ar. Abhang Kamble** has remained the chairman of third year design years 2018-19 and 19-20. Senior faculty **Hemant Joshi** is a chair person of Theory of Design. This is a very important position in university, who holds responsibility in maintaining parity in examination systems in all the colleges of architecture.
6. The examination system in SPPU is a participative approach for all the colleges. There is pairing done between 2-3 colleges for conducting the sessional, and viva examinations, where all the faculty take these exams at own institute as internal for their respective subjects and also go out for taking these exams in the other institutes. The number of theory exams are less as compared to the viva or sessional exams, hence a set of faculty goes to check theory examination answer sheets of other colleges at Central Assessment Process (CAP) centre at Anantrao Pawar College of Engineering, Pune. BOS have instructed to the colleges to send the faculty for assesment as a mandatory step to get the results of their students. Table 1 is a matrix of the faculty taking part in CAP centre and their respective subjects exams since year 2015-16. Table 2 is the matrix of the faculty participation in other activities of SPPU.

Criterion 1 - Curricular Aspects/ 1.1.3 Curricular Planning and

Implementation (Percentage of participation of full time teachers in various bodies of the Universities/ Autonomous Colleges/ Other Colleges, such as BoS and Academic Council during the last five years)
